

TYPHON-X8F

All conditions. No compromise.

Product Description

With the TYPHON-XF Series, that same Typhon character is available in a passive, IP66-certified format designed specifically for permanent outdoor installation.

TYPHON-XF combines the familiar Typhon cabinet styling with a fully weather-protected design capable of handling rain, humidity, dust and challenging environmental conditions year-round. The durable enclosure gives the series a discreet and professional appearance for architectural and commercial projects, whilst the included heavy-duty steel U-bracket allows fast and practical installation straight out of the box.

Available in 8", 12" and 15" models, TYPHON-XF delivers high SPL performance, controlled coverage and dependable passive operation for stadiums, hospitality venues, theme parks, public spaces and outdoor entertainment environments.

TYPHON-XF brings the trusted Typhon sound into a durable new category built for the outdoors. All conditions. No compromise.
